Reserve Officers Association of the United States

THE PROFESSIONAL ASSOCIATION REPRESENTING ALL MILITARY OFFICERS
ARMY ★ NAVY ★ AIR FORCE ★ MARINE CORPS ★ COAST GUARD ★ PUBLIC HEALTH SERVICE ★ NOAA

7 June 1985

The Honorable William J. Casey
Director, Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Casey:

The Reserve Officers Association of the United States is holding its 59th annual meeting in Portland, during 27-30 June 1985. We shall be greatly honored if you can find it possible to deliver the Keynote Address to our delegates on any one of these three days which may accommodate your schedule.

The Association was founded in 1922 by General Pershing, Captain Harry S Truman, Brigadier General Reilly, and others. Our membership numbers approximately 120,000, represents all five Armed Services, and includes officers of the Public Health Service of NOAA.

As you know, the Association's Charter from the Congress is to promote military security and we seek to carry out this responsibility. We are particularly supportive of the Total Force concept, and give particular attention to Reserve Readiness. Thus it will be especially appropriate for you to address our membership this year.

We expect 1,200 delegates and will, of course, have national media coverage, particularly in view of your address.

We earnestly hope you will find it possible to be our guest and Keynote Speaker, and to give us the benefit of your insights and concerns. We shall, of course, provide for all your transportation requirements and hospitality.

With regards and good will, I am

Sincerely,

Robert H. Spiro, Jr.
Rear Admiral, USNR (Ret.)
National Executive Director

BY COURIER

William J. Casey, Director
Central Intelligence Agency
Washington, D.C. 20510

Dear Bill:

I'm enclosing herewith a letter which is addressed to you, and which is self-explanatory. My friends at the Reserve Officers Association requested that I personally ask you to be the Keynote speaker at their annual meeting. I realize this is short notice, but it would help them greatly.

Best personal regards.

Sincerely,

Max Hugel
